

Diabetes Feet Australia

AWARD NOMINATION

NOW OPEN

Diabetes Feet Australia invites nominations for the 2025 'Outstanding achievement in diabetes-related foot health and disease' award

Diabetes Feet Australia is proud to announce and open nominations for the 'Outstanding achievement in diabetes-related foot health and disease' award, which will be presented at the upcoming DFA 2025 Conference.

This biennial award recognises an individual:

- who has made significant, fundamental contributions to diabetes-related foot health and disease (whether in research, clinical practice, advocacy and/or leadership)
- the impact of these contributions to the sector
- demonstrated an outstanding contribution to diabetes-related foot health and disease
- holds the respect of professional peers in the DFD clinical and/or research community.

Nominations may be self-initiated, initiated by colleagues or by organisations and must include two letters of recommendation. All applications received are reviewed independently and subject to criteria review guidelines. Nominations are considered by a review committee consisting of Diabetes Feet Australia Steering Committee members and Australian Diabetes Society representatives.

NOMINATION CRITERIA

- ✓ Has made a positive impact to DFD at a state, national and/or international level.
- ✓ Demonstrated a contribution that includes either DFD research, clinical practice, advocacy and/or leadership.
- ✓ Has made contributions above and beyond through involvement in DFD activities.

Nominations may be self-initiated, initiated by colleagues or by organisations.
